Programme for the UpWind meetings March 31, 01, 02 and 03 April 2009

Venue
BALUARTE AUDITORIUM AND CONFERENCE CENTRE IN PAMPLONA
C / General Chinchilla s/n, 31002 Pamplona
[MAP](#)

How to find it:

The Baluarte Auditorium, Congress Hall and Exhibiton Centre of Navarra is located between the limits of the historic old town and the new developments. It is sited just in front of the Bus Station in the heart of the city.

How to reach Baluarte:

By plane

From the airport of Noain (6.5 km) the Bus Nr. 21 stops just beside the Baluarte.

From the airport of Bilbao (150 km) there is an hour and a half motorway journey (A 68 Bilbao – Zaragoza to Vitoria and then Pamplona)

From the airport of Biarritz – France (160 km.) the journey takes an hour and a quarter though the A-8 (Irún – San Sebastián and A-15 to Pamplona

By train

From the Railway Station Bus Nr. 9 runs every 12 minutes and stops just in front of the Baluarte.

By Bus

Baluarte is just in front of the Bus Station

By Car

From Barcelona and Zaragoza Baluarte is in the City Centre besides the Old Town.

From Madrid (A-1) to Vitoria and to Pamplona City Centre

By Taxi

Taxi Service in Pamplona: 948 23 23 00

From Hotels:

[Hotel Maisonnave](#): C/ Nueva nº 20, 31001 Pamplona (5 minutes walking)

[Hotel Leyre](#) : C/ Leyre nº 7, 31002 Pamplona (10 minutes walking)

[Hotel Tres Reyes](#): Jardines de la Taconera s/n, 31001 Pamplona (2 minutes walking)

NH Iruña Park: Arcadio María Larraona nº 8, 31008 Pamplona (15-20 minutes walking).

Bus **Nr. 12** runs every 12 minutes to the Old Town District. [Bus Nr. 12 Route](#) from Avda. Bayona 45 (next to the hotel) to Avda. Del Ejército – Ciudadela (in front of the Baluarte Conference Centre) there are only 3 stops.

Programme Outline

The Upwind General Meeting 2009 consists of WP1A1, A3 and B4, WP2 and WP3 Meetings, a visit to CENER Wind Institute Facilities, a workshop on Integrated Design and Upscaling, a General Assembly (GA) presenting results from work packages and planning work for months 37 to 54, and an internal general assembly with consortium representatives.

Thursday 02 April 2009; 09.00-18.30

Annual General Meeting (AGM)

Participants: All participants in UpWind (WP-leaders, WP-participants, ExBo members), EC- representatives and evaluators.

**09:00 - 09:30: Welcome and Introduction to the program (P. Hjuler Jensen).
Financial status (Karen Hyllested)**

09:30 - 12:30: Presentation of R&D results from Work Packages

09.30	WP 1A1 & 1B4	Integrated design, standards and Upscaling
10.30	WP 1B1	Innovative Rotor blades
11.15	Coffee	
11.45	WP 1B2	Transmission & Conversion
12.30	WP 1B3	Smart Rotor blade

13:15 - 14:15 Lunch

14.15	WP 2	Aerodynamics & aeroelastics
15.00	WP 3	Rotor structure and materials
15.45	WP 4	Foundations and support structure
16.30	Coffee	
17.00	WP 5	Control systems
17.45	WP 6	Remote sensing
18.30	WP 7	Condition monitoring
19.15	Discussion	
20.00	End of AGM first day.	

21.00: Special Dinner

(Details will be given later)

Friday 03 April 2009;

09:00-12:20

Continuation of the AGM

09:00 - 11:30: Continuation of AGM

9.00	WP 8	Flow
9.45	WP9	Electrical Grid
10.30	WP 1A2	Metrology
11.00	WP 1A3	Education
11.30	WP 11	External Communication

11:30 - 11:40: Closing remarks by Peter Hjuler Jensen and Jos Beurskens

Internal General Assembly

Participants: Consortium partner representatives

11:45 - 12:45: General Assembly (GA)

Agenda

1. Election of Chairman of the meeting
2. Contract status
 - a. Contract amendments
 - b. Consortium agreement
3. New partners:
 - i. None
4. Approval of DOW month 37 to 54
5. Election of ExBo members:
 - i.
6. AOB

12:45 - 13:45: Lunch (Option: ExBo members who are present meet during lunch)
