

### **CENER TRADE MISSION TO VISIT COLOMBIA**

**Sarriguren (Navarra), March 19, 2010.**-CENER representatives will visit Colombia next week on a trade mission, as a part of a delegation of Spanish companies travelling there at the invitation of the Economic Office, of the Spanish Embassy in Colombia and the Hispano-Columbian Chamber of Commerce.

According to the agenda provided by the CENER representatives, interviews have been scheduled with companies and institutions in the energy sector in the cities of Bogotá and Medellín, with the aim of presenting the CENER experience in developing renewable energy projects in other countries, including some in Latin America as well as analysing the possibilities of establishing future collaboration agreements.
